Tuition and Daycare Payments –Tuition payments are due in full on the 5th of each month. (Upon request, we are able to split the account for billing purposes only.) If the tuition and daycare accounts become delinquent any time during the school year, you will receive communication requiring immediate payment in full on your balance. If your account becomes 30 days delinquent, we may require you to take your child out of school until the balance is paid in full. If you do not make the necessary arrangements to satisfy your obligation, your account will be turned over to Merchants Credit Association. This policy will be strictly enforced.

Returned Check Fee –There will be a \$25.00 returned check fee if an NSF check is returned to us by our bank. You will be notified immediately and will need to make up that payment in full with cash, cashier's check, or money order only.

Daycare invoices will be sent every two weeks via email. If you would like a paper statement, you may come into the school office and request one. The cost for daycare is \$3.50 per hour for the 1st child and \$2.80 per hour for each additional child.
